

Not All Roads Lead to Packaging Success

The Other Guys

Multiple suppliers and touchpoints needed in order to meet your total packaging needs.

Outlook Group

Labels, folded cartons and flexible packaging all sourced from one supplier.

Which Route Would You Rather Take?

Outlook Group simplifies your packaging road by producing all three packaging formats in one facility.

PS Labels

Folded Cartons

Flexible Packaging

Take the easy route. Save time and resources with Outlook Group's full-service packaging solutions.

1 Supplier

to work with

simplifies communication and color-matching for multiple packaging projects

33%

fewer calls & emails

less time spent in your inbox or on phone calls means more time for value-add tasks

66%

reduction in resources

less storage, employee handling and transport between locations helps to achieve sustainability goals and reduces costs

Priceless

time back in your day

one supplier to source all packaging formats allows you to focus your attention where it's needed

Why Work with Outlook Group?

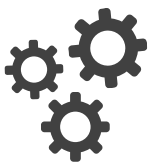

Transition Support

Proven on-boarding process ensures a successful project. From site audits to trials and packaging line implementation, we will consult with you from transition to initial run and after.

Easy Color Matching

G7 Master Printer Qualified. Specialized processes, color matching software and quality assurance steps ensure colors match from proof to print, from press to press and run to run.

Packaging Expertise

Our seasoned team of experts with design, structural, substrate, printing process and application knowledge advise on best fit for your product requirements and performance expectations.

Customer Satisfaction

Your success is our success. Dedicated customer service professionals learn the intricacies of your specific needs so you can focus on higher priorities.
